GENERAL SECRETARIAT

Sanctions the proposals for intensifying the cultivation of Kar-Ragi and Paddy in the State during the summer season of 1949.

READ—

Government Order No. A.F. 3841-6—Agri. 196-45-2, dated 7th February 1946, sanctioning the recommendations of the Director of Agriculture regarding the grant of certain concessions for the cultivation of irrigated ragi in the Irwin Canal area during the summer of 1946.

2. Letter No. G.M.Fc. 4—48-9, dated 6th February 1949, from the Revenue Commissioner, forwarding proposals for intensifying the cultivation of Kar-Ragi and Paddy in the State during the summer season of 1949.

ORDER No. A.F. 4881-95—Agri. 156-48-2, BANGALORE, DATED 11TH FEBRUARY 1949.

In view of the serious shortage of ragi in the State owing to unfavourable seasonal conditions in 1945, a scheme for the cultivation of Ragi in the Irwin Canal tract during the summer season of 1946 was sanctioned, in Government Order dated 7th February 1946 read above and special concessions granted to the raiyats. These concessions were continued during the years 1947 and 1948. The situation this year continues to be serious owing to the partial failure of the ragi crop last monsoon and the reduced allotments expected from the Central Government, and it is considered that more intensified drive for growing irrigated ragi this summer has to be taken up immediately covering the whole State. The Revenue Commissioner has therefore submitted necessary proposals for the cultivation, on a larger scale, of irrigated ragi and paddy during the summer season of 1949, in consultation with the Director of Agriculture and the Chief Engineer for Irrigation.

The Revenue Commissioner reports that the Chief Engineer for Irrigation has examined the possibilities of cultivating kar-ragi with reference to the availability of water in the main
